Use the sidebar menu to add, edit, or delete a corrective/preventive action record.

Read more about the sidebar menu in tutorial [Navigation And Common Features - General Navigation](#).

Use this [Corrective/Preventive Action](#) module to initiate, process and track your corrective and preventive actions. You can also generate a [PDF report](#) for a particular action, and a [PDF printout](#) of all actions as they appear in the table (read more about reports in tutorial [Navigation And Common Features - Reports](#)).

To [sort](#) the table, click on the column header.

Use the [Setups](#) menu to set up corrective and preventive actions categories.
